

**NO MAINTENANCE  
REQUIRED INSIDE SCANNER  
ROOM**

# **MRI SCANNER ROOM LIGHTING**

*Reduce the cost of maintenance and down time*

The Fibre Optic Company offer a low cost Solution to Scanner Room Lighting.

The system provides down lighting with no metal parts or filaments using high transmission fibre optic technology. Light is produced by using powerful easy maintained light sources placed outside the scanner rooms RF cage. The system removes the need for maintenance on lamps inside the scanner room area. Can be used in new or existing scanner room installations
